## **Terms & Conditions**

**Operation and Participation** This cruise/tour has been developed and is managed by Living Passages (hereafter in this document referred to as LP.) Note that the cruise portion is a "charter" cruise, not a "commercial" cruise. In addition to this document, upon submitting your deposit, you will receive with your written confirmation the Conditions of Carriage of the cruise line. The Conditions of Carriage of that document are also expressly incorporated into this contract. The cruise is considered private and any registration/application may be declined without reason. In addition, participation in this trip is limited to persons whose payment and contract have been received by LP. Name changes are not allowed unless previously approved by LP. Circumstances prohibit transfer of participation to passengers other than those to whom the tickets were originally issued.

### **Smoking**

This cruise is a smoke-free tour for all passengers in the common areas inside the ship. This includes halls, dining room, lounge, and cabins. Smoking on the outside decks is permissible. Smoking in the cabins is permitted only if all occupants give approval.

### **Proper Documentation**

All members of this tour must carry passports valid for at least six months beyond their scheduled date of return. This means your passport must be valid at least through January 12, 2008 or longer if you choose to extend your trip by including the optional extension to Malta. If you need information regarding obtaining or renewing your passport, contact LP. At this time, no advance visas are required for this tour for U.S. citizens. It is the responsibility of NON-U.S. citizens to determine requirements and obtain any necessary visas. Passengers denied boarding of planes and/or the cruise ship or denied entry into any country due to missing or improper documentation will not be the responsibility of LP.

### **Documents and tickets**

All tour, air, and ship tickets are valid only for the dates booked and indicated on documents. Documents will be sent to you approximately 10 days prior to your scheduled departure and after full payment has been received by LP. Re-issuance of tickets that are lost or stolen prior to departure, or required to be reissued for any other reasons, may be subject to charges or fees by the air carriers and/or other vendors; such fees may be substantial.

### **Limitations**

LP reserves the right to decline, reject, or retain any member as a participant in this tour at any time for any reason. The air carrier(s), cruise line, group operators and LP reserve right to substitute equipment and properties and to add or delete en route stops at our discretion with or without notice. The hotels, ground operators, cruise lines and other vendors used by LP reserve the right, in special circumstances, to substitute accommodations/transportation of similar or better quality without penalty.

### **Luggage**

LP cannot be held responsible for delay, loss, or damage to luggage. Many domestic and international airlines have changed the total poundage allowed for international travel and security restrictions will govern what can be carried, both in checked and in carry-on luggage. Check with the carriers you are using for their requirements. Regarding security regulations, you will want to check the website of the Transportation Security Administration (TSA.)

### **Making Your Deposit/Reservations**

- A total deposit, for those registering as single or double occupancy, of \$2000 per person PLUS insurance (or \$2250 per person PLUS insurance if you are opting for the Malta extension tour) is due with your signed registration to confirm your space. For those registering as triple occupancy, full payment including trip insurance is due at time of registration.
- Final balance of payment is due no later than May 30, 2008. Your booking may be canceled if not fully paid by the due date. Please make all checks payable to Living Passages/Footsteps of Paul. You may, if you wish, use a credit card for your initial deposit and insurance and then pay the balance with cash or check and still receive the full cash discount.

### **Changes/Revisions**

We will try to accommodate name changes 90 or more days prior to departure, but additional fees may be imposed and passed on by vendors. If specific rooming requests are altered due to cancellation by one or more passengers and we are unable to locate a roommate for the remaining passenger(s), the passenger(s) still traveling may be required to pay the resulting applicable occupancy rate. This contingency may be covered by trip insurance.

# *Steps of Paul Cruise with Bob Cornuke and the BASE Institute*

## **Airport Arrivals/Security**

If you haven't flown recently, be advised that increased security at all airports and new luggage restrictions mandate arriving at the airport for check-in at least 3 hours prior to scheduled departure for international itineraries. Please make sure that you allow adequate time to get to the airport. Delays may not have to do with you, but rather with those in line ahead of you! Many airlines close their check-in desk as much as an hour prior to scheduled departure.

You must be ready to present your passport and a second piece of government-issued picture ID (such as a drivers' license.)

## **Cancellation and Refunds**

In the event that you must cancel your reservation, or payments are not received by specified deadlines, refunds are made in accordance with the following schedule: Per person cancellation fee, if notice is received:

- 170 days or more prior to your departure date: Cancellation fee is \$500 per person plus any domestic air, pre- or post-cruise options, and insurance or add on travel you have purchased.
- 169-90 days prior to your departure date: Cancellation fee is \$1,500 per person plus any domestic air, pre- or post-cruise options, and insurance or add on travel you have purchased.
- 89-0 days prior to your departure date: Cancellation fee is 100% of package price or deposit. Your financial losses may be covered by trip insurance if you are cancelling for a covered reason.

## **Refunds and Problems**

(a) Unused Tours: Except for "major changes" as described herein, no refund will be made for any transportation, accommodations or services included in the tour price which you, by your choice, do not use. Any feature designated as "included" is provided without additional cost to you and has no refund value. If you incur a problem at the destination, please bring it to your attention of your local representative. If the situation is not resolved at the destination, you must notify LP in writing of the details within 30 days of your return, accompanied by applicable documents.

(b) Connecting Flights: Most connector flights preclude last minute changes. Passengers are advised to allow ample time between connecting flights from your hometown and the international flights included in the package. We regret we cannot be held responsible for missed connections due to weather or mechanical problems. We strongly recommend you purchase trip insurance as, again, some of your financial loss may be covered by trip insurance, depending on the reason for the problem.

## **Day-tour / Shore Excursions**

Local guided tours, including in Athens, Ephesus, Patmos, and Pergamon will be available but are not included in your package price. The guided tours in other areas are also optional; some may require separate booking and additional payments. If you are extending your tour with our Malta option, the tour to Paul's cave and the Maritime Museum as well as the boat trip are included. SCUBA and snorkeling on Malta and any other touring is optional and not included. There is no charge to tour any port "on-your-own." All shore excursions offered are arranged for the convenience of our cruise passengers. LP acts as an agent in arranging the separate purchase of tours while the cruise ship is in port or for our group on Malta, but these tours are operated by independent contractors, and LP has no control over their operation and cannot be held responsible for them. However, in the past, we have experienced excellent tours with such vendors.

## **Fuel Charges**

With the price of fuel bouncing like a yo-yo, the cruise line has given us a price of fuel "not to exceed." If at the time of sailing, fuel does exceed the contractual amount, a surcharge may be added. If this charge exceeds an additional \$5000, the cost will be pro-rated among all passengers, not to exceed \$50 per passenger. (This has happened only once in the last six cruises.)

## **Responsibility**

LP has the responsibility of booking with airlines, hotels, condominiums, ground operators, tour guides, and cruise lines to provide you with these services. The carriers, hotels, cruise lines, and other suppliers providing tour services are independent contractors and are not agents, employees, or servants of, or joint venturers with, LP or its affiliates. All certificates and other travel documents for tour services issued by LP are subject to the terms and conditions specified by the supplier, and to the laws of the countries in which the services are supplied. Each participant agrees not to hold Living Passages or the BASE Institute or their tour leaders liable, in the absence of its own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip and shall have no liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP is not responsible for government actions, weather, mechanical breakdowns, war, terrorism, acts of nature (secularly known as "Acts of God"), or other circumstances beyond its control. If a travel ban is imposed by the United States on any country we are scheduled to tour, another port will be substituted. In the event of delay, the airline or cruise line, and not LP, determines delay procedures and the amenities/compensation, if any, to be offered. LP will not accept responsibility for additional charges incurred for expenses or lost wages as a result of changes to flight times, and/or missed vacation time.

# *Steps of Paul Cruise with Bob Cornuke and the BASE Institute*

## **Optional Cruise and Shore Excursion Activities**

Cruise participants may choose to engage in various activities including, but not limited to, swimming, jogging, SCUBA or other water sports, horseback or camel riding, car rental traveling, shipboard activities and other "activities"; participants are hereby notified that these and other activities may be dangerous and may result in a serious injury and that participation in these activities shall be at the participant's own risk. LP shall not be liable for any injuries sustained by cruise/tour participants, which are a result of participant's engaging in such activities.

## **Taxes**

Port, hotel, ground and air taxes are always subject to increase by the government of the countries involved. Such increases are not frequent occurrences, but regrettably, LP will have to pass on any increases to participating passengers.

## **Travelers Who Need Special Assistance**

LP must be advised of a participant's special requirements at the time of booking and we will make every effort to accommodate special requests, but cannot confirm a reservation until all travel suppliers have acknowledged that they can provide the services requested. Note: It is possible that LP or its suppliers may have to deny boarding if prior notification of special need is not given. We regret that, due to the nature of the planned itinerary, we cannot guarantee full participation to a member whose physical needs cannot be met.

The *Star Clipper* does not have elevators and is not wheel-chair accessible. Some shore excursions may involve considerable walking. If you have concerns about this, call Living Passages to talk with an agent who has been to these sites.

## **Safety**

The safety of passengers is a primary concern of Living Passages but also of the owners and operators of the vessels, aircraft, ground transportation, and other facilities being used. If safety is threatened by weather or other factors, the ship's captain and owners and the owners/operators of other facilities and services reserve the right to make whatever changes to the itinerary or schedule they deem necessary for the safety of all.

## **Major Changes**

"Major changes" constitute only changes in the ship's departure city and/or departure dates by more than 96 hours, hotel substitutions of lower quality, or a price increase exceeding 10 percent of the tour price occurring 21 or more days before departure; whereby LP shall notify participant(s) within 14 days after first knowing of such change, but in any event at least 21 days before scheduled departure. If LP first knows of a major change less than 21 days before scheduled departure, LP's liability is limited to a full refund excluding insurance paid. LP has contracted with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (i.e. unexpected maintenance problems, guest stay-overs, and over-booking by the hotel) and a substitute hotel of equal or greater quality is provided. In the event of your hotel standard being substantially downgraded, a refund reflecting the difference in price will be issued. The governing laws of the State of Idaho shall prevail and any dispute may be resolved in the City of Coeur d'Alene by means of arbitration. The prevailing party of any dispute will be entitled to recuperate pertinent legal fees and costs from the other party.

## **Brochure Validity**

This document cancels and supersedes any previous publications or advertisements to this same tour and cruise. For the most current brochure or terms and conditions, download at [www.livingpassages.org](http://www.livingpassages.org).

## **360° Travel Protection (Trip Insurance)**

Your initial deposit price covers the cost of the 360degrees Travel Protection Plan. Your 360° Travel Protection certificate will be sent to you along with the receipt of your deposit. The travel protection plan is underwritten by Stonebridge Casualty Insurance Company, Columbus, OH, and designed by Travelex Insurance Services. Coverage includes reimbursement for trip cancellation for covered reasons such as death of a family member, accident or sickness that prevents you from traveling, reimbursement of emergency medical expenses, emergency medical evacuation/repatriation, travel delay, and loss of baggage. You may request a copy of this certificate prior to purchase by contacting LP.
