# Ethiopia 2011 with BASE Institute

January 15-24, 2011

## Terms and Conditions

### Operation and Participation

This tour has been developed and is managed by **Living Passages** (hereafter in this document referred to as **LP**.) The tour is considered exclusive and private. Name changes cannot be done. Circumstances prohibit transfer of participation to passengers other than those to whom the tickets were originally issued.

### Proper Documentation

All participants in this tour must have (by the time we travel not at the time of registration), passports valid at least through July 26, 2011. Visas are required for U.S. citizens; they will be obtained upon arrival in Addis Ababa. If you are not a U.S. citizen, contact LP regarding visa requirements. Cost of the visa is approximately \$25USD.

### Limitations

The air carrier(s), group operators and LP reserve the right to substitute equipment and properties and to add or delete en route stops at our discretion with or without notice. The hotels, ground operators, and other vendors used by LP reserve the right, in special circumstances, to substitute accommodations/transportation of similar or better quality without penalty.

### Baggage

LP cannot be held responsible for delay, loss, or damage to baggage. U.S. airline baggage regulations apply to all of your international flight arrangements. However, we urge you to limit your luggage to one piece per person because of limited luggage space on the ground transportation you'll be using. And all airlines are now limiting free luggage. You can take extra – just at a potentially hefty expense. Within Ethiopia they prefer that you keep it under 44 pounds.

### Making your Deposit/Reservations

A total deposit of \$699 per person including the cost of trip insurance is due with your signed registration form to confirm your space. The balance of your payment will be due by November 10, 2010. Your booking may be cancelled if not fully paid by due dates given.

### Changes/Revisions

If specific rooming requests are altered due to cancellation by one or more passengers and we are unable to locate a roommate for that single passenger, the passenger still traveling may be required to pay the applicable single room rate for all the accommodations.

### Airport Arrivals/Security

You should plan to check in at your international departure airport at least 3 hours prior to scheduled departure. More time will be required due to your international flight plans than domestic flights ordinarily require. We will have a limited number of Business Class seats (at an additional cost.) Advise us if you are interested in upgrading.

### Cancellation and Refunds

In the event that you must cancel your reservation, or payments are not received by specified deadlines, refunds are made in accordance with the following schedule:

Per person cancellation fee if notice is received

- 150-95 days or less prior to scheduled departure: Cancellation fee is \$300 plus any domestic air add-on costs paid to LP, insurance purchased.
- 94-21 days prior to scheduled departure: Cancellation fee is either (1) 65% of the package price PLUS all air costs and insurance paid to LP, or (2) all deposits, air fares and insurance paid, whichever is greater
- 20-0 days prior to scheduled departure: Cancellation fee is 100% of all monies received.
- Notice that once received, insurance premiums are non-refundable, regardless of when cancellation notice is received.

### Air Transportation

International air fare from Washington Dulles is included in this tour package. LP will contact you regarding flights from your home area, and options for upgrading your flights. Air taxes are not included in the tour. The amount will be determined at the time of ticketing.

### Fuel Surcharges, currency fluctuation, and other unexpected changes

With fuel charges changing rapidly worldwide, both carriers and ground operators have been instituting surcharges to accommodate increases. We have based prices on rates and currency exchange current at the time of printing; if vendors or countries add or increase fuel charges and/or taxes, we may need to pass resulting increases on to our passengers.

Each participant agrees not to hold Living Passages or its tour leaders or the BASE Institute liable, in the absence of their own negligence, for any loss, act or omission, whether negligent or otherwise, of any person or firm which is to, or does provide goods or services for the trip. Neither LP nor The BASE Institute shall have any liability to the participant for the quality of services or the condition or cleanliness of accommodations or for any transportation delay, including but not limited to liability for inconvenience, shortened vacation time, additional expense, or any other kind of damage. LP shall not be liable for any injuries sustained by cruise participants which are a result of participant's engaging in such activities.

### Major Changes

LP has contracted with certain hotels to supply accommodation. Occasionally, the accommodation reserved is not available for a variety of reasons (e.g. unexpected maintenance problems, guest stayovers, over-booking by the hotel) and a substitute hotel of equal or greater quality is provided.

### Trip Insurance

Your initial deposit price includes the cost of the 360° Travel Protection Plan which is optional but strongly recommended. A 360° Travel Protection Certificate will be sent to you along with the receipt of your deposit. You may request a copy of the 360° Travel Protection Plan insurance certificate prior to purchase by contacting LP. The travel protection plan is underwritten by United States Fire Insurance Company, and designed by Travelex Insurance Services. Coverage includes trip cancellation/interruption (for specified reasons), reimbursement for emergency medical expense, emergency medical evacuation/repatriation, travel delay, and loss of baggage.
